THAIN ECHBERS IN PERSECUANTA TRAIN ROBBERS IN TENSYOVANIA

Four Men Intimidate and Rob the Passen
gers on a Pechicylands Teals
ALTOONA, Pa., Oc. C. As the regular
train from Hollidaysou g was nearing Allegheny furnace this morning, four men
took pessession of one of the crowded cars
und winte three of them intimidated the
pussengers with revolvers, the fourth went
through the cur and deliberately robbed
such of the passengers and a show
of resistance but he was attacked with a
knife and cut through the band. The conductor next grappied with one of the robbers and was dre ged out, to the platform
of the car and beaten with a revolves handle. The robbers then jumped off.

THE WEATHER.

Washington, D. C., Oct. 7—(LA. M.) For New England: Slightly wayner; fair weather, in southern portion, preceded by frosts Wednesday morning; and, local showers followed by warner weather in northern portion; wand generally sh fting to west and south.

DEATH OF EX-GOVERNOR FALBOR.

Sketch of his Life and Services.

Loweld, Mass. Oct 5. Ex-Governor Talbot died at 1.3) P. M. Hon. Thomas Talbot was born in Cambridge, N. Y., Sept. 7, 1818. His parents were both natives off freland. His morther was lieft a widow in Danbury, Vt., and 'emoved to Northampton, Mass., w there eight child ren and at the age of 13 Thomas wentlo work in kimill. He next worked for his brother, in a mill at Williamsburg. In 1839 he went hate partnership with his brother Charles, at North Hillerich, grinding destuits. The business was a success from the start and the brothers floadly, in 1857, establist ed their present, full for the manufacture of woolen flamels.

At the full election in 1851 Thomas Talbot was elected to the Legislature and subsequently was elected on the domin ission to reviee the Constitution of the State. For five years after 1843 he was a member of the Executive Council in 1872 he was elected Lieutenant-Governor. Mr. Talbot served is acting Governor of when Governor Wishburh was elected to fill Senator Sunater's unexpired them, and three years later was elected to filesith, Lunacy mil Charling, serving until 1884, when he resigned. While in this position he refused to give up the books of the Institution to Gov. Butler, then conducting the Tewksbury investigation. favor of the batter clut.

could read dy matters; but the past month the different meals have been unusually unpalatable. "-- "Well; don't worry; mother, I am going into the kitchen, to see what can be cooked for to-day's dinner." You will have to go to market, and order the meat and vegetables for dinner. It is ironing day, and Katie is too busy to go to-day. "-"Wait until I see what we have in the pantry;" and Eisie started for the pantry on an exploring expedition. "There's nothin in the pantry. Miss Elsie, but is few scraps of heat, fit for the chickens."-"Never mind. Kut.e. I'll hok

around and see what I can find. Everything here will help toward making an xcellent dioner;" and Elsie surveyed the collection with satisfaction. Enough: cold roast matton for a mutton pie, a femilial is furnished without stint. make a delicious cod-fish salad, with Else, as she completed her inventory,

in a kettle containing a twenty five cents per barrie lower. Relittle water, and the gravy left from the
previous dinner, she added, also, a couple
of slices of inely cut pork steak, and lee
the whole simmer a few minutes. She
then thickened with two table-spontals
of flour, stirred ismooth in a little cold
water, added a generous lump of butter,
and sersoned rather highly with pelaper,
and a little salt. A shallow biscuit page and a little saft. A shallow biscrift pain an edict of the Spanish Government, was lined with pie-caust, the ment, poured which went into force last serry frees one saide until time to bake for dinner. While guish slavery in the island of Crob in 1868.

Elsie recognized the mont minus that

half cupful of vinegar, one-half cupful of molasses, one cupful cach of sugar and raisins, one tesspoonful of einpan scant tenspoonful of cloves, half a grated nutmeg, and half a teaspoonfut of sut. Phis was placed on the stove until thoroughly heated, adding while heating, repeated the application every two weeks enough hot water to make the mixture of several times. From the fire trees so the consistency of minco meat. When it treater he secured good crops of plums, had cooled somewhat, she filled pie plates, but on the remaining hinety-five trees the
